AEROSPACE,
DEFENCE & AVIATION

SOLUTIONS THROUGH
UNDERSTANDING

Solutions through understanding - the first choice for clients and candidates globally, Jonathan Lee Recruitment has been supplying the Aerospace, Defence and Aviation sectors with exceptional people for more than 35 years.

Jonathan Lee Recruitment Aerospace, Defence and Aviation Division offers clients a unique level of expertise in contract & permanent recruitment across all engineering, technical, supply chain and commercial disciplines within industries that include:

Civil Aircraft

Defence Aircraft

Aftermarket

Defence Land

As many of our highly experienced consultants come from relevant sector backgrounds including Civil, Aerospace and Defence, we pride ourselves on our in-depth understanding of the skills, experience and personal attributes required for specialist roles. The team is passionate about recruitment, supporting these industries in the UK and internationally.

Our professionalism and integrity mean that we take the time to listen to your requirements and provide only the best people for your roles, aiming to find clients and candidates their perfect candidate or position. The relationship we build with both is for the long term and is strengthened by our direct knowledge and experience.

With clients ranging from prestigious global industry brands, SMEs, research and development, governmental organisations to aftermarket service suppliers and operators, we identify and attract the best talent available. We are committed to fostering a culture of continuous improvement so we can bring you the personalised attention and quality of service needed to become your most trusted recruitment resource partner.
