

JONATHAN LEE
RECRUITMENT

AUTOMATION & ROBOTICS

SOLUTIONS THROUGH
UNDERSTANDING

Solutions through understanding - the first choice for clients and candidates globally, Jonathan Lee Recruitment has been supplying the Automation, Robotics and Engineering sectors with exceptional people for more than 35 years.

Jonathan Lee Recruitment Automation & Robotics Division offers clients a unique level of expertise in contract & permanent recruitment across all engineering & commercial disciplines across industries that include:

Special Purpose Machines

Conveyors

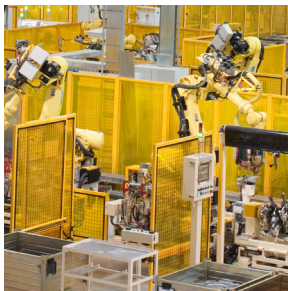

Automated Production Lines

Paint Application Technology

With a surge in manufacturing output, automated solutions are key to maintaining a competitive advantage. We work in partnership with some of the leading manufacturers of bespoke machinery and automated integrators to provide a world class recruitment service supporting all technical and commercial disciplines.

Our professionalism and integrity mean that we take the time to listen to your requirements and provide only the best people for your roles, aiming to find clients and candidates their perfect candidate or position. The relationship we build with both is for the long term.

We are committed to fostering a culture of continuous improvement so we can bring you the personalised attention and quality service needed to become your most trusted recruitment partner.

OUR COMMITMENT TO YOU

Jonathan Lee Recruitment is committed to delivering best-in-class recruitment and talent management services to the Automation and Robotics sector. Taking the time to really understand your business needs and priorities, we adopt a partnership approach to help achieve your talent acquisition plans. We present the most relevant candidates for your needs, and our tailored solutions are aimed at adding value and contributing to your company's future success.

Our partnering and personal approach takes into account the softer issues of recruitment, providing you with the best skills, personality and cultural fit for your needs. Our commitment to remain at the cutting edge of best practice allows you to benefit from the latest initiatives in recruitment, digital media and candidate attraction.

Whether you are seeking to recruit one key individual or an entire team, our expert consultants, administrators and welfare support resource provide a dedicated, personalised and premier service.

CLIENT TESTIMONIALS

MECHATRONIC SOLUTIONS

“ Jonathan Lee Recruitment had a deep empathetic understanding of our business from the very beginning, and as we got to know them better they became very knowledgeable and demonstrated this deep understanding of our manufacturing methods. We have found that their consultative approach has gone beyond the recruitment of permanent and contract staff.

Recruitment has always been a challenge for us in the past and we've had invaluable assistance. Going forward I would say we've got a true partnership here with Jonathan Lee Recruitment and that is the way we will continue. ”

Richard Evans, Managing Director
MECHATRONIC SOLUTIONS

GLOBAL LEADER AND SPECIALIST

“ Finding the right candidates for difficult-to-fill vacancies is always tough. We chose Jonathan Lee Recruitment because of their specialist candidate sourcing expertise, industry knowledge, technical capability and understanding of the industry in general.

They are very professional and committed to filling our vacancies. We consider them a long term, trusted partner to our organisation. ”

Sally Lewis, HR Manager
