

Mock Tribunal

14 March 2018

Registration 9.30 – Finish 14.00

On the 26th of July, the Supreme Court ruled that employment tribunal fees are unlawful and a barrier to justice – abolishing them with immediate effect.

This means that the chances of one of your employees escalating a tribunal claim just got significantly higher, in fact figures released from the Ministry of Justice in December show that claims have risen by 120%.

As a result, we will be hosting a 'Mock Tribunal' event to simulate a realistic tribunal case and give you an insight into what tribunal proceedings are really like and steps you can take to protect your business from increasing claims.

The Mock Tribunal will cover:

- The reality of a Tribunal
- What to expect when taking to the stand
- Likely questions/procedures
